Conditionally compatible	
Not compatible	
Combination not possible	
RJ45 MetzConnect plug:	M
Art.No.: 1LA00245 LINK	
RJ45 crimp plug:	C
Art.No.: 1LA00810 LINK	

*1 Only for safe areas certified!

*2 Cilindrical surfaces must be greased, to avoid cable rotation!

*3 Cable gland CMP-20PXSS2K only usable with M20 to M25 adapter!

The systemcable SKD **P**03-T and ASKD **P**03-T are not compatible in general, because the flipConnect does not support single wire connection.
